Public Service Announcement

Date: March 13, 2023
To: All Media
From: Shellie Campbell, Director
North Central Public Health District
Subject: **Free, walk-in Vaccine Clinic March 17-18**

A free, 2-day walk-in vaccine clinic is scheduled this Friday and Saturday, March 17 and 18, from 11 a.m. to 6 p.m. each day, at 523 E. 3rd St., The Dalles.

The clinic offers the updated COVID-19 booster, which provides strong protection against hospitalization in those who get COVID-19.

The clinic is at the former Griffith Motors building, across from Sawyer's and Grinders Coffee. No appointment, ID, or insurance needed!

Recent data shows people who got the updated vaccine were 14 times less likely to die compared with those with no vaccine, and 3 times less likely to die compared to those with just the original COVID-19 vaccines.

The clinic offers primary and booster doses of COVID vaccines, regular flu vaccines and the MPOX vaccine.

Everyone 6 months and older is eligible for primary and booster doses of COVID, and also for the flu vaccine.

Take a step to protect your health and visit our 2-day clinic!

AN UPDATED COVID-19 VACCINE HELPS SAVE LIVES

Vaccinated people* who received an updated COVID-19 vaccine were

- 14X less likely to die**
compared with those who received no vaccine
- 3X less likely to die**
compared with those who received only the original COVID-19 vaccine(s)

People ages 12+ who got their last COVID-19 vaccine dose before September 2022 should get an updated vaccine

* Completed the original COVID-19 vaccine primary series and/or original booster(s)
