The Dalles, Oregon 97058

PRESS RELEASE

DATE: April 7, 2026
TOPIC: Webber Street Traffic Revision
CONTACT: Public Works Department (541) 296-5401
FOR RELEASE: IMMEDIATELY

The Dalles, Oregon – Beginning the morning of April 8, 2026, Webber Street will partially reopen to traffic with temporary traffic controls in place as Crestline Construction continues work on the Westside Interceptor Upgrade – Phase 2 Project.

- From 6:30 a.m. to approximately 6:00 p.m., Monday through Saturday, Webber Street will be open to eastbound traffic only (toward the river and Port area).
- Westbound traffic (away from the river and out of the Port area) will be detoured via River Road to West 6th Street.
- Webber Street will be open to two-way traffic from 6:00 p.m. to 6:30 a.m., Monday through Saturday, and all day Sunday.

Motorists, motorcyclists, and bicyclists are advised to use caution when traveling through the work zone. Road surfaces may be uneven due to ongoing construction activities.

These traffic measures will remain in place until West 1st Street reopens between Union Street and Terminal Way, restoring a direct connection between the Downtown area and the Port.

Once that segment of West 1st Street reopens, Webber Street is expected to close again beginning April 20, 2026, with closure anticipated to continue into July.

The City appreciates the public's patience and cooperation as work progresses on the Westside Interceptor Upgrade – Phase 2 Project.
